- News Reports Release

has attracted much attention in the Air Jordan 2012. I believe we have already seen pictures on the Internet. We believe that the classic black and white classics and the "dragon year" version have left a deep impression on everyone. But the latest color or the first exposure to different and earlier versions, the body of the shoe with a matte leather and Flywire combination, texture is more delicate, North Carolina blue and gray collocation is very easy for everyone to associate the alma mater University of North Carolina Jordan, this number is 484654-400, love friends can look at.

NBA started a new season for a long time, the new season of the Originals NBA Series also appeared in the CT ~ ~ ~ today we finally saw them, this game is the Americana legion, actually use Americana quite right, after all, when she is in order to design the NBA sports shoes, and this Adidas designers to design simple regression, those special creative no longer exaggerated display in the upper, but basically settled in sole or insole... Etc. details, vamp team color pure, simple and direct, taking into account the good wear both collection effect (151.27
